CDS Guiding Principles

Competitiveness

“How can the LGU be more competitive in the global economy?”

Livability

“What can be done to ensure a healthy and dignified standard of living for the residents?”

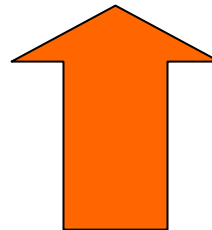

Bankability

“How can LGUs be more financially sustainable?”
“How can public-private sector partnerships be promoted and enhanced?”

Good

Governance

“How can the LGUs management be improved? How can accountability, integrity and transparency be made an integral part of a city’s management?”

Benefits

- ❖ Establish **coherence of efforts** among various development plans
- ❖ Provide a dynamic development platform for LGUs that **mobilizes the contributions of local stakeholders**
- ❖ Formulate a **development direction** that is consistent with the city's inherent strengths and competitive advantages

❖ Mobilizes financing for priority programs and projects

- Technical Assistance grants – USD\$5.2 million
- ODA Loans – USD\$13.4 million
- Other sources (Private sector, NGA, LGU) – USD\$6.5 million

MORE THAN **USD\$20 MILLION** IN
INVESTMENTS IN CDS CITIES

Iloilo City CDS

❖ Vision:

“The growth center for sustainable business, industry, tourism, social and human development in Region VI”

Key Issues Identified

- ❖ Low agricultural productivity
- ❖ Loss of cultural and built heritage
- ❖ No accredited slaughterhouses
- ❖ Lack of housing and high poverty incidence
- ❖ Inefficient water supply
- ❖ Congestion in the city—traffic and population
- ❖ Flooding
- ❖ Water and air pollution and solid waste management
- ❖ IRA dependency

Impacts

- ❖ Mapped out the catalytic role of Iloilo City in the region's overall economic development
 - Focus on priority areas that will benefit the city and metropolitan area
 - Identified areas for cooperation
- ❖ Engaged local stakeholders—private sectors, NGOs, etc.—to support local initiatives
 - Cultural heritage
 - Homeless People's Federation

Impacts

- ❖ Mobilized resources for selected priority projects
 - UN-Habitat IMPACT – shelter plan
 - Cities Alliance CLIFF – slum upgrading
 - Institute for Solidarity in Asia – public governance scorecard
 - LINAW – wastewater treatment

Impacts

- ❖ Development projects implemented/ pipelined
 - Private sector investments – Megaworld, Power
 - Iloilo Flood control project (JBIC)
 - Completion of a new airport
 - Computerization and Improved Tax Collection
 - Formulation of Tourism Strategy
 - Urban Renewal of the CBD and Heritage Conservation
 - Site upgrading for housing
 - Improvement of water supply system
 - Solid waste management program
 - Transport planning and traffic management

Challenges

- ❖ Financing
- ❖ Sustainability
 - Politically
 - Among stakeholders
- ❖ Up-scaling
 - Metro Iloilo and Guimaras
 - Barangay level

Thank you!
